30. Certifications.

- a. Prohibition Against Use of Funds to Influence Legislation (Lobbying). No part of any funds under this agreement shall be used to pay the salary or expenses of any Consultant, or agent acting for the Consultant, to engage in any activity designed to influence legislation or appropriations pending before the Congress as stated in 49 CFR 20.
- b. Debarment and Suspension. The Consultant agrees to comply with the nonprocurement debarment and suspension rules in 49 CFR 29.

- d. The Consultant agrees and hereby certifies that it will comply with the Georgia Security and Immigration Compliance requirements of O.C.G.A. § 13-10-91.

31. Other Requirements. In addition to other requirements of this agreement, the Consultant agrees to comply with, and shall be bound by, the applicable terms and conditions of all state and federal laws or regulations governing and defining resources, project administration, allowable costs and associated procurement standards, and the ARC Disadvantaged Business Enterprise Plan (in compliance with 49 CFR Part 26), as appropriate. In addition, the Consultant further agrees to comply with the DBE Utilization Plan submitted to ARC as part of its proposal. All such documents are hereby made part of this agreement fully as if the same were attached hereto.

The Consultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this agreement. The Consultant shall carry out applicable requirements of 49 CFR 26 in the award and administration of DOT assisted agreements. Failure by the Consultant to carry out these requirements is a material breach of this agreement, which may result in the termination of this agreement or such other remedy as the recipient deems appropriate.

The Consultant agrees to pay each subcontractor under this prime agreement for satisfactory performance of its agreement no later than thirty business days from the receipt of each payment that said prime Consultant receives from ARC. The prime Consultant agrees

further to return retainage payments to each subcontractor within thirty business days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of ARC. This clause applies to both Disadvantaged Business Enterprises and non-Disadvantaged Business Enterprises.

32. Termination for Mutual Convenience. ARC or the Consultant may terminate this agreement in whole or in part when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall, through formal written amendment, agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated. The Consultant shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. ARC shall evaluate each noncancelable obligation to determine its eligibility for inclusion in project costs. Settlement will be made in accordance with the terms and conditions of this agreement. ARC shall allow full credit to the Consultant for the ARC share of the non-cancelable obligations, properly incurred by the Consultant prior to termination.
33. Termination for Convenience. ARC may terminate this agreement, in whole or in part, at any time by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least fifteen days before the effective date of such termination. In that event, all information and material produced or collected under this agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. If this agreement is terminated by ARC as provided in this paragraph, the Consultant will be reimbursed for the otherwise allowable actual expenses incurred by the Consultant up to and including the effective date of such termination, as authorized in Attachment "B." The Consultant shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. ARC shall evaluate each noncancelable obligation to determine its eligibility for inclusion in project costs.
34. Termination of the Agreement for Cause. If the Consultant, due to its action or failure to act, shall fail to fulfill in a timely and proper manner its obligations under this agreement, or if the Consultant has or shall violate any of the covenants, agreements, representations or stipulations of this agreement, ARC shall thereupon have the right to terminate this agreement by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all information and materials collected or produced under this agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. The Consultant shall be entitled to receive just and equitable compensation for any satisfactory work completed under the Scope of Service up to and including the effective date of termination as authorized in Attachment "B." Notwithstanding the foregoing to the extent provided by law, the Consultant shall not be relieved of liability to ARC for damages sustained by ARC by virtue of any breach of this agreement by the Consultant and ARC may withhold any payments to the Consultant for the purpose of set-

off for damages caused by the Consultant's breach, until such time as the exact amount of damages to ARC from the Consultant is determined.

35. Termination Due to Non-Availability of Funds. Notwithstanding any other provision of this agreement, in the event that any of the funds for carrying out the functions to which this agreement relates do not become available, then, upon written notice to the Consultant, this agreement may be immediately terminated without further obligation of ARC.
36. Suspension Due to Non-Availability of Funds. The Concerned Funding Agencies have the right to suspend financial assistance for this project. Consequently, ARC reserves the same right regarding this agreement. Such suspension would cause the withholding of further payments and/or prohibiting the Consultant from incurring additional obligations during the suspension period. However, unless notified in writing to the contrary, such suspension would not invalidate obligations otherwise properly incurred by the Consultant prior to the date of suspension to the extent that they are noncancelable.
37. Disputes and Appeals. Any dispute concerning a question of fact arising either from a Consultant or subgrant selection decision, or under a Consultant or subgrant contract, once executed, shall be decided by the ARC Chief Operating Officer who, after advisory consultation with all appropriate ARC officials (e.g. General Counsel, etc.), shall promptly reduce such decision concerning the question of fact to writing and mail, or otherwise furnish a copy thereof, to the disputing party (i.e., as appropriate, either: the unsuccessful proposer; or the Consultant or subgrantee). The Chief Operating Officer shall concurrently fully advise the disputing party, in writing, of the provisions outlined herein below concerning the disputing party's right to appeal the decision to the ARC Executive Director. A copy of all such documents shall also be furnished to the ARC Office of General Counsel.

The decision of the Chief Operating Officer shall be final and conclusive unless, within ten (10) calendar days of receipt of such written decision, the disputing party mails or otherwise furnishes a written appeal concerning the question of fact to the ARC Executive Director, who shall arrange a formal hearing within twenty (20) calendar days after receipt of such appeal. Both the appealing party and the Chief Operating Officer shall be notified no less than five (5) calendar days in advance of the hearing and shall have the right to present witnesses and give evidence concerning the question of fact at such time. Within twenty (20) calendar days after the hearing, the Executive Director shall make a decision concerning the question of fact in writing to the appealing party and to the Chief Operating Officer. A copy of the decision shall also be furnished to the Office of General Counsel.

The decision of the Executive Director concerning the question of fact shall be final and conclusive unless determined by the cognizant grantor agency or agencies, or the Comptroller General of the United States, or a court of competent jurisdiction to have been arbitrary, capricious, an abuse of discretion or otherwise not in accordance with the law.

Pending final decision of an appeal to the Executive Director under a Consultant or subgrant contract already executed, the Consultant or subgrantee shall proceed diligently with the performance of the contract and in accordance with the Chief Operating Officer's decision.

Nothing in the foregoing shall be construed as making final the decisions of the Chief Operating Officer or the Executive Director as such decision relate to question of law.

38. Force Majeure. In no event shall either Party be responsible or liable for any failure or delay in the performance of its obligations hereunder upon the occurrence of any circumstance beyond the control of either party, such as acts of God, war, acts of terrorism, government regulations, disaster, strikes, work stoppages, accidents, mandatory quarantines, pandemics, curfews, or other restrictions of movements, or civil disorder, to the extent that such circumstances make it illegal or impossible for either Party to fulfill the terms of this Agreement. Any termination or delay in the performance of this Agreement without liability is conditioned upon delivery of written notice to the other party setting forth the basis for such termination as soon as reasonably practical, but in no event longer than ten (10) days, after learning of such basis. It is understood that both Parties shall use reasonable efforts which are consistent with industry standard to fulfill the performance of this agreement to the extent feasible.
39. Applicable Law. This agreement shall be deemed to have been executed and performed in the State of Georgia. All questions of interpretation and construction shall be construed by the laws of Georgia.

IN WITNESS WHEREOF, the Consultant and ARC have executed this agreement as of the day first above written.
